AS WE WERE SAYING.

No. 15,

Wouldn't a man be silly if he tried to deliver his own letters by hand instead of using the postoffice and the universal organization? So when a man is out for business-would he try to call on the whole State of onally? Not for one minute-if he was really out for business, he would just put his little Ad in the Tee-Dee Want columns and everybody in Richmond and Virginia would know what he had to buy or sell or rent. It is foolish not to use every labor-saving device. Be wise, use the Tee-Dee Want Ads, and get big results for little money.
